An inspection of Building 11, a 5-story brick/ masonry factory/ warehouse located at the above address has revealed a building that is old, dilapidated or out of repair. The building has been the subject of health department reports describing conditions therein that consequently make the building dangerous, unsafe, unsanitary, and/or otherwise unfit for human habitation.

The conditions constituting a nuisance are as follows:

- The building has been found to be in violation of Volume 2 of the Milwaukee Code of Ordinances
- There is widespread contamination of building components from toxins including heavy metals, polychlorinated biphenyls, and semi-volatile organic compounds

All such buildings, structures or parts thereof consistent with the conditions specified in s. 218-9, are declared to be a public nuisance, endangering life, limb, health or property, and shall be repaired and made safe, or razed

and removed in compliance with Chapter 218, Milwaukee Code of Ordinances, as ordered by the commissioner, pursuant to the authority provided in § 66.0413(4), Wis. Stats.

Therefore, I, Preston D. Cole, Commissioner of Neighborhood Services of the City of Milwaukee, pursuant to the authority of Sec. 218-4, MILW. CODE, do hereby order you to raze or repair the aforementioned Building 11, a 5-story brick/ masonry factory/warehouse.

If you choose to repair the building, it shall be repaired in a lawful manner consistent with any orders from the Environmental Protection Agency, Wisconsin Department of Natural Resources, Milwaukee Health Department, and this office within one hundred eighty (180) days after the service of this order upon you.

If you choose to raze the building, you shall demolish and remove it together with all accessory structures and fixtures, and restore the aforementioned premises to a dust-free and erosion-free condition in a lawful manner consistent with any orders from the Environmental Protection Agency, Wisconsin Department of Natural Resources, Milwaukee Health Department, and this office within one hundred eighty (180) days after the service of this order upon you.

Whether you repair or raze the building(s), due to the specific conditions on this property, you are required to:

- Develop a site specific plan to perform in situ sampling/testing of air during repair or raze activities (including but not limited to cutting, drilling, abrasive action, demolition, or component deterioration) to approximate respiratory exposure to dusts reasonably expected to be generated from these activities.
- Sample and analyze settled dusts after repair or raze activities to assess hand-to-mouth ingestion and other possible exposure routes.
- Develop a viable site and occupancy specific plan to address future maintenance, repairs and renovations to protect occupants and workers from existing building components impacted by toxins including heavy metals, polychlorinated biphenyls, and semi-volatile organic compounds.
- Employ respiratory protection from metal bearing dusts for any persons entering into interior areas where surfaces have not been cleaned, coated (or otherwise treated to eliminate dust hazards), and wipe-tested to confirm successful interim control of hazards from surface dust

If you fail to repair or raze and remove the building within the time prescribed, the same will be razed, removed and restored to a dust-free and erosion-free condition by contract or arrangement with private persons or firms, and the costs thereof, plus additional contract administration charges, all of which constitute a lien on the real estate, may be assessed and collected as a special charge under Sec. 218-4, MILW. CODE, or be collected personally.

The building(s) must be maintained vacant and secure from entry until you have complied with this order. In the event you do not maintain the building(s) secure from unauthorized entry, this department will maintain the building(s) secure and assess any cost against the real estate. Any use will be a violation of Sec. 200-11-5-b, MILW. CODE, and any use will be subject to prosecution, Section ATCP 134.09 prohibits the advertising for rental of condemned properties. No landlord may rent or advertise for rent any premises which have been placarded and condemned for human habitation.

Before the building(s) may be removed, raze and erosion control permits are required. Upon completion, appropriate soil erosion control measures must be installed in accordance with Sec. 290, MILW. CODE.

Permits can be obtained on-line at: <https://Milwaukee.gov/LMS>. If you have any questions, please call the Permit Center at (414)286-8207.

For any additional information, phone **Inspector Mike Demski at (414)286-3559** between the hours of **8:00 a.m. to 10:00 a.m. Monday through Friday.**
